## HISTORY

The history of the Masjid goes back to 1984, a small building was purchased at 34 Francis Road by the grace of Allah through a generous donation from the nobel Shaykh Abdul Aziz Baz (Head of the Presidency of Islamic Reseach, Ifta, Dawah and Guidance. Suadi Arabia).

In less than 10 years the congregation out grew the building and the committee decided to look for another building. The current building at 80 High Road Leyton was found and purchased in 1991. An independent Waqf (Trust) was setup to supervise the purchaes and renovation of the building. The foundation stone of the new masjid was laid by the esteemed Shaykh Muhammad bin Abdullah al Subbayyl, President of the Affairs of the Scared Mosque of Makkah and Madinah. The Masjid was completed in July 1997.

In jully 2006 the Masjid purchased the land behind the current building. This has tripled the current floor space.

## TAWHID ORPHAN RELIEF

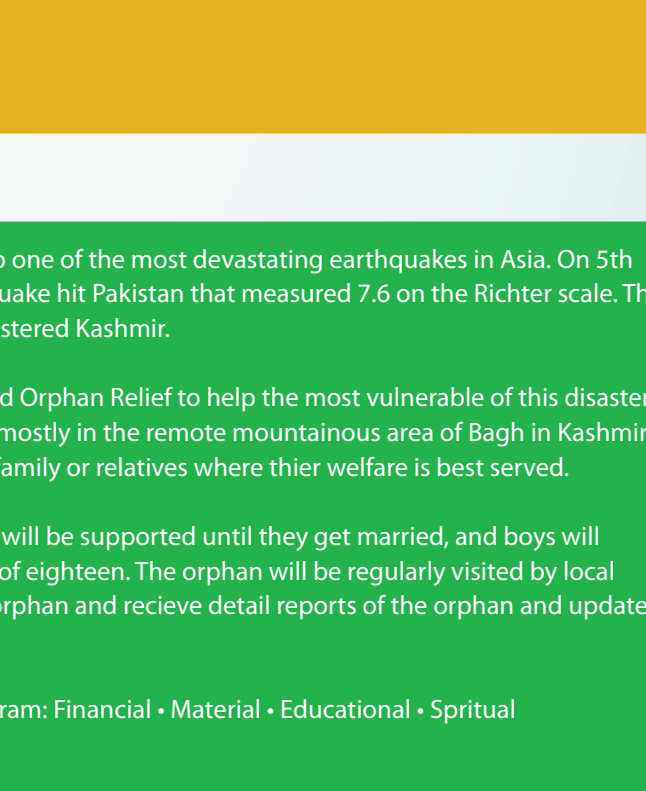
Due to the increasing activities of the Masjid over the past years the existing premises are being utilised to their full capacity, and often prove to beinsufficent at Friday and Eid prayers. Therefore, the Masjid Trust resolved to buy on adjoining property when this was offered for sale in 2006.

With the help of Allah and then the intense fundraising efforts of brothers and sisters, the property was bought in summer 2006 for half a million pounds, almost tripling the land owned by the Masjid Trust.

The new development has yet to be finalised, but is expected to include:

new and larger community hail underground car park extra space space for offices class rooms accommodation for imams a full-time caretaker funeral facilities.

Please donate generously to the Msjid appeal and help us to repay the outstanding intrest-free loans and to expand the Masjid facilities at the new premises.



To make a donation please contact the Office Manager.

## TAWHID ORPHAN RELIEF

Tawhid Orphan Relief was setup in response to one of the most devastating earthquakes in Asia. On 5th day of Ramadan (8th October 2005) an earthquake hit Pakistan that measured 7.6 on the Richter scale. The epicenter was Muzaffarbad in Pakistan-administered Kashmir.

Masjid al-Tawhid, in response, has setup Tawhid Orphan Relief to help the most vulnerable of this disaster. At present the Masjid sponsors 150 childrens, mostly in the remote mountainous area of Bagh in Kashmir. The children are sponsored to stay with close family or relatives where thier welfare is best served.

To sponsor a child is only £15 per month, Girls will be supported until they get married, and boys will usually be supported until they reach the age of eighteen. The orphan will be regularly visited by local administrators. Sponsors will be allocated an orphan and recieve detail reports of the orphan and updates on a regular basis.

The relief found is for a complete welfare program: Financial • Material • Educational • Spritual
