A BRIDGE TO YOUR FUTURE

WLCI
A Bridge to Your Future

PROGRAMME IN BUSINESS MANAGEMENT FOR UNDERGRADUATES

The business programme offers students an opportunity to gain the requisite knowledge, skills and confidence to choose from a substantial range of occupations within the business community. All the key activities common to business organisation viz., problem-solving, decision making, strategy planning and implementation are considered within the subjects and set within the context of an increasingly global market place.

At WLCI, you have the opportunity to pursue the last year of your education at Wigan & Leigh College, UK and obtain the Bachelors Degree in Business Administration from the University of Central Lancashire.

If you choose to study in India, you have the advantage of opting for the BBA degree from a UGC recognised university, under the distance learning mode.

At WLCI, you get the Best of the three Worlds – the WLCI Advantage, the International Advantage and a UGC Recognised BBA Degree.

THE WLCI ADVANTAGE

Our Reputation

WLCI is consistently ranked one of the top business schools in India. The undergraduate business programmes are industry oriented and our students are rated to be the best by corporate organisations.

Professional Qualification

The relevance of our curriculum, depth of the content and the focus on the development of work based skills make the WLCI course content possibly the best not only in India but across the world.

The Traineeship Programme:

We believe that learning must not only take place in the classroom, but also simultaneously at the work place. Our unique Traineeship Programme offers you an invaluable opportunity to work with the leading companies in the final year of the programme.

The traineeship programme provides you with hands-on work experience while still studying at the college and gives you a professional edge over others

Faculty
The WLCI faculty has rich industry experience apart from a sound academic background. They bring both theoretical knowledge and their practical professional expertise into the classroom, to provide you with a unique educational experience.

Cutting Edge Training
For a professional to be effective in the workplace, it is essential that he/she has a good work-life balance. Cutting Edge Training is a special initiative taken by the WLCI to create professionals who are armed with the requisite personal skills and attitude required to enter the industry and be able to perform effectively from the very beginning of their careers.

Pan-India Network
WLCI has over 16 learning locations across the country. It ensures that you will always have a WLCI location to support you, no matter which city you are from or work in; now and in the future.
