The kids love your class!

With the success of our original *VERBO*™, we have been getting requests from teachers and students all over for additional *VERBO*™ games to practice Spanish Conjugations! Nine new versions of *VERBO*™ are now available for your students to have fun while practicing the Preterite, Imperfect, Future, and Conditional tenses. The new games play the same as the original three but with varying levels of difficulty. Now there is a *VERBO*™ game that corresponds with just about any grammar lesson your students may be learning! 4-6 players. Intermediate.
