

Tom McCabe: "It was

like a
SLAP
in the face"

Tom McCabe
Boise, Idaho

When Tom McCabe, (long-time/small firm) ABA member and ABE-insured, was diagnosed with non-Hodgkin's lymphoma, he was shocked. But, he was prepared, having applied for and purchased ABE-sponsored Long Term Disability Insurance 25 years earlier.

"Our experience is that insurance has protected us over the years, and more than any other policy, our ABE disability policy has protected me and my family. It has protected our financial well-being and protected our way of life. "
