

## A Quick Note ...

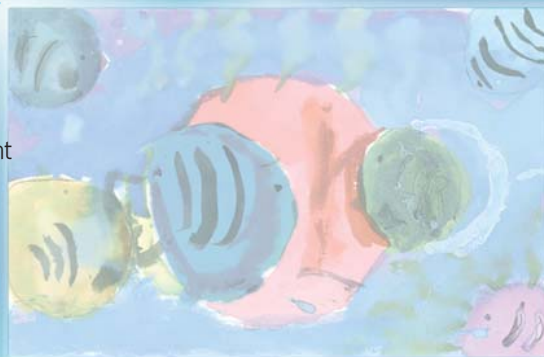

On behalf of our whole community and your Board of Education, I would like to welcome you to the 9th annual Millburn District Recognition dinner. This event has become an important way to help us honor those who help to make Millburn the fine school district it is today. Once again, we are coming to the conclusion of another year that has provided many challenges. Once again, you have shown that you are more than equal to the task. Tonight we gather together to honor your accomplishments and reaffirm our commitment to work side by side with you in the future to continue to get the job done.

Thank you for all that you do!

Sincerely,  
Ken Dewitt
