

Premium Items/Indoor Signage

A/B: The women and men's bathroom signs. They would be attached to the wall with aluminum rods.

C: A bag that would be used to store leftovers and for food sold at the farmers market.

D: Mug for coffee at the end of dinners and a give away at cooking classes.

E: A pint glass used for beer or a give away at cooking classes.

F: A cutting board with logo burned into it. It would be used in the school woods kitchen.

G: A custom knife designed for the head chef of school woods. The logo is etched into the blade and the handle uses colors from the logo.
