LINCOLN
EXTENDED
SERVICE PLAN

Your Vehicle's Time on the Road is Filled with Unexpected Dents and Dings.

Over your vehicle's life, it may get dented and dinged by any number of mishaps, regardless of how careful you are driving and parking. Those dents and dings can add up, ultimately diminishing the look of your vehicle.

With Lincoln ESP DentCARE, You Don't Have to Accept Dents and Dings – There Is a Solution.

- ▶ The Paintless Dent Repair (PDR) process removes minor dents and dings without sanding, painting or body fillers*
- ▶ Certified repair technicians remove minor dents, dings and creases by utilizing specialized tools to flex or manipulate metal back to its original form
- ▶ Covered repairs require no deductible and can be made at your selling dealer, home or business. For your convenience and satisfaction, repairs are completed while you wait

*Covers the removal of dents and dings no larger than 4 inches within an accessible area located on a body panel of the covered vehicle.

Excludes vehicles that utilize 100% plastic, fiberglass or other non-metal composite body panels.

The Result?

Permanent removal of door dings and minor dents without harming your vehicle's factory finish.

Fast, complete repair gets you back on the road with minimal tie-up of your vehicle:

- ▶ More convenient and less time-consuming than traditional body shop repair methods

Minimal investment with a positive return:

- ▶ May protect your vehicle's selling price when it's time to sell or trade
- ▶ May reduce any lease turn-in charges
- ▶ Transferable to the next owner, potentially adding to resale value
