

# MAISON DE LA CATALOGNE COOKING SHOWROOM

## Academic Project 2007

La Maison de la Catalogne is a Culinaire Showroom located in Paris. It is think to repressent and express how much cook is important in Catalogne. It compress a information desk and exhibitions space, a workshop chicken lab where catalan cooks will teach and

develop projects with people, and a bar-restaurant-lounge where people can taste what is done in workshops and other typical catalan cuisine. Original architecture is preserved and new interiors are overbuilt trying to respect that it is not located in the original region that is shown.
