

Services Specialties

- Weddings:

We provide wedding locations that are distanced from the resort, because we know that no one wants their special day ruined. Although, it's distanced from the resort, we provide limousine service to take our happily married guests back to the resort.

Also, there is no need to go on a honeymoon, because the newly weds are already there! When the newly weds get married they get sent off to our remote island resort to have their honeymoon.

- Family Reunions:

We also provide a family reunion package, where more the merrier equals less cost for you. So invite as much family members as possible so all of them can experience the fun.
