

IDEATION

ADJUSTABLE HANDLE THAT FIT ANY TOILET SEAT

GRIPPED FOOT PEDAL

LOCKING PEG THAT KEEPS PEDAL IN PLACE

The **Lid Assist** was designed in collaboration with students from the **University of Pennsylvania**. This design was presented at their annual product design fair. These sketches and renderings were accompanied with a promotional video.

The **Lid Assist** was also modeled in **Rhinoceros** and rendered in **Hypershot**.

PEDAL DOWN, LID UP
