## LETTER OF RECOMMENDATION

To Whom It May Concern:

I am pleased to write a letter of recommendation for Ms. Małgorzata Spasiewicz who worked as an intern on the position of assistant of construction site manager from February to July 2009 in a Polish branch of ASCAN Empresa Constructora y de Gestión S.A., a construction and management company.

She was responsible for Polish-Spanish, Spanish-Polish translation and interpretation which required usage of vocabulary specialized in construction. Her duties, according to her education, included preparing technical drawings for current purposes of the construction, as well as participating in preparation of quantities and work measurement.

Ms. Małgorzata Spasiewicz completed her tasks precisely and with due diligence. She also demonstrated a great capacity of integrating and working in an international team and her excellent command of Spanish language.

We are satisfied with working with Ms. Małgorzata Spasiewicz and we strongly recommend her for her future employment as a well qualified, communicative and enthusiastic person.

For more detailed information, please contact with the office of the Polish branch of ASCAN Empresa Constructora y de Gestión S.A.

Yours sincerely,

EDYTA TOMASIAK  
Management Representative for Poland
