To Whom it May Concern:

It is both an honor and a pleasure to offer both my hiring endorsement and high recommendation of Brittany Scott.

I had the pleasure to hire Brittany in November, 2010, and she remained a most trusted, dependable and valued member of our team through July, 2011, at which time she choose to pursue other employment opportunities consistent with her experience.

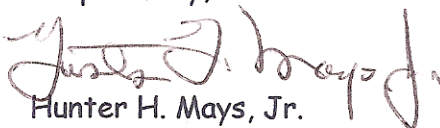

During her nine month association with us, and despite the lack of any previous related experience, Brittany proved to be a quick learner and highly adaptable to her new work environment. Her excellent work ethic and attention to detail were exceeded only by her exceptional customer service, which came naturally from her warm and engaging personality.

Rarely did a week go by before one or more of our customers would approach me and offer compliments on Brittany's kindness and hospitality. She became a familiar face to many of our loyal customers and she won the friendship of many first-time visitors with her kind smile and genuine welcome.

Credited to her extensive design background, Brittany offered many new and creative ideas that we employed to enhance both the ambience and promotional marketing of our store. She also proved to be an excellent trainer and role model for many of our employees who had the opportunity to join our team and her enthusiastic, positive personality was infectious to us all.

Without reservation, I would highly recommend Brittany to any organization to whom she may apply as I am confident that she will quickly make a most positive impression and addition to your staff.

Respectfully,

Hunter H. Mays, Jr.
