Leading the Way in

Economic Recovery

THEO GROH:

Leading the Nation in Economic Recovery

While other states struggle to make the tough but necessary decisions to help their citizens weather the economic storm, **Theo Groh** will...

- ☑ **Keep Taxes Low:** During a time when states across the nation are raising taxes to balance their budgets, we will cut state spending while keeping taxes the second lowest in the nation.
- ☑ **Show Sound Fiscal Management:** We will make budget cuts to give our state a surplus.
- ☑ **Protect Working Families:** New Hampshire has the second-fastest job growth in the nation, an unemployment rate nearly 40 percent below the national average and the strongest economy in New England.
