Select the Appropriate Laptop for Each Area of Your Practice

Each of the laptop and tablet PCs below is lightweight and has a long battery life. In addition to generous memory and roomy hard drives, three units have DVD/CD drives for archiving data. Tablet PCs are great for moving from one exam room to another and can be paired with an optional docking station.

The charts below will guide you to the correct selections for your whole practice, or you can call today for fully customized solutions.

- Reception
- Administration
- Nurses
- Exam Room
- Physician
- Whole Practice

We can help you develop a mobile platform for your office that keeps everyone connected and secure. Call HealthDynamix today for the best laptops, tablet PCs, support, and services.
