THE DAZZLER

SUPERPOWER:
MIND SWAY. CREATES SITES SO CAPTIVATING USERS WON'T WANT TO CLICK ANYWHERE ELSE.

Like a hypnotist's pocket watch, The Dazzler is master of bewitching anyone who visits a website or uses an app. This caped crusader captures the imaginations of target audiences and hits business objectives through compelling and beautiful designs.

THE BARD

SUPERPOWER:
ALCHEMY. ABILITY TO SPIN MERE NOUNS, VERBS, AND ADJECTIVES INTO INTERACTIVE GOLD.

The Bard is the rare émigré from the secretive Clan of Copywriters. From taglines to character count, he deftly maneuvers through the complex intricacies of the online jungle to turn run-of-the-mill content into engagement gold.

THE FEDERATOR

SUPERPOWER:
X-RAY VISION. USES INNATE POWER TO DETECT WILY BUGS AND HIDDEN CODING TRAPS.

Like the Wizard of Oz, The FEDerator stands behind the digital curtain, using X-ray vision and the latest gadgets on her web development utility belt to create responsive sites that come to the aid of users no matter their browser, platform, and screen. Take THAT, Evil Static Man!

THE UX FACTOR

SUPERPOWER:
SHAPESHIFTING. ABILITY TO EXPERIENCE SITES THROUGH THE EYES OF A MYRIAD OF DIFFERENT USERS.

A retired banker. A Gen-Y skateboarder. An at-home mom. Who knows what form The UX Factor will assume next? This data junkie is able to generate interactive experiences to satisfy any audience. Faster than a speeding sitemap and able to leap tall taxonomies in a single bound.
