SHOW YOUR TRUE

COLOURS

Vivid Style, vibrant colors and superb performance – Sony's VAIO E Series promises all this and more... And the Cosmo team thinks that these colorful gadgets can really add some life to boring boardrooms and maybe even bedrooms.

Whether shocking pink is your style or a cool blue more your colour, whether glossy shimmer appeals to you more or matte elegance, the E series is made to suit every fashionista's fancy.

Loaded with amazing features like a full key-pitch isolation keyboard, a handy numeric keypad, easy-to-use direct buttons, as well as the enhanced Quick Web Access function for instant web browsing, VAIO E Series is loads of fun, even on off days! Bid adieu to the boring boxes that pass off for lap-tops and take your pick from the vivid VAIO E Series.

Instant web access is just a matter of pushing the right buttons. Push the **WEB button** to start browsing instantly without having to boot up the system. Pushing the VAIO button launches Media Gallery that lets you enjoy your photos, videos and music in an absolutely new and fun way. Pressing the **ASSIST** button calls up VAIO Care for easy PC maintenance and troubleshooting. In addition to these instant access buttons, VAIO E Series comes pre-installed with **PMB** (Picture Motion Browser) VAIO Edition to let you easily organise, create and share your photos and videos.

* Type of LCD display varies depending on model.

...a total Have-to-have!

- Handy Numeric Keypad
- FULL HD Display
- Genuine Windows 7
- Home Premium OS
