

This Book Teaches Powerful Lessons About the Most Interesting Topic of All — YOU!

Laugh and learn through twenty-two entertaining fables that reflect the challenges you experience in your lifestory. Guided by an all-knowing chameleon, four unassuming birds play the roles of the personality styles. The insights gained from their interactions and struggles will lift you to new heights of understanding yourself.

Let the Wisdom of The Chameleon Enable You to Effortlessly Adapt to the People and Situations Around You.
