# SUMMER BEAUTY SECRETS

*Get a HEAD-TO-TOE GLOW with these hot-weather must-haves*

Protect your skin from UV rays by using a sunscreen with an SPF of 30 or higher

**CHIC TRAVEL POUCHES** Favorite luxe resort line Calypso St. Barth makes an appearance at Target this month with a collection of limited-edition tie-dye-patterned cases ideal for toting your beauty essentials to the pool or beach.

**WRINKLE-HIDING TANNER** Finally, a two-in-one product that gives a natural glow and fills fine lines. Clarins Instant Smooth Self Tanning slides on over moisturizer, and there's no need to use foundation.

**PUMPED-UP POLISH** A sunny coral-pink or red polish adds the perfect dose of color to a neutral-hued swimsuit or sundress. We love OPI's Guy Meets Gal-veston and L'Oréal Paris's Apple of My Eye (\$4.99).
