

Levi's® Fall/Winter 2010

Eyewear Collection

MY COLOUR

MY SOUND 

Levi's® latest optical and sunglasses collections go back to the heart of Levi's® culture, with youthful, fashionable designs that capture the brand's irrepressible zest for life.

Inspired by the vibrant prints on the reverse end of Levi's® Square Cut Jeans, these trendy optical and sunglasses models showcase the same wild patterns on the reverse of the arms. A range of iconic Levi's® trademarks with innovative new twists add extra flair to all the eyewear.
