

Levi's®

SPRING 2011
EYEWEAR COLLECTION

I WILL NOT SIT AT HOME
COLLECTING DUST.

This season, Levi's® optical collection looks to trendy washed denim and funky button appliqué for truly hip styles. Swatches of real denim detail the arms of these mostly masculine optical designs, highlighted by cool cuts and sizzling color combinations. For fashionable eyewear to go with your latest denim couture, Levi's® is hard to beat.

I MAY LOOK FRESH & GREEN BUT
I AM READY TO EAT DIRT.
