Clean lines, contemporary style, and effortless Italian sophistication seamlessly blended with expert craftsmanship and luxury materials - Pal Zileri Spring 2013 Optical & Sunglasses Collection are the perfect embodiment of this Italian legacy, with the touch of confidence and class to complement any well-dressed contemporary man. With the use of premier "Optics By Carl Zeiss" lenses on sunglasses collection, Pal Zileri's stylish frames bring a touch of prestige to any activity.

Modern Contours

Curved streamlined temples reminiscent of the sleek profile and subtle elegance of a high-end Pal Zileri suit. These flexible lightweight temples feature a soft touch and endlessly comfortable fit. In an understated and dignified matte finishing, they showcase an extended eyeshape that complements without overwhelming the features, like a well-tailored suit, resting between comfortable flexible temples. While the acetate model in subtle eyeshape, creating a sophisticated nostalgic appeal.

Tailored Touches

Illustrating the essential allure of a timeless menswear design - classic sensibilities refined with stylish modern elements. Innovative custom-made spring-form hinges bring wearable flexibility and all-day comfort to the sleek titanium frame, offering an airy style with a sophisticated eyeshape. While the acetate option offers a modern update on a classic profile with an evocative period silhouette.

Timeless Grandeur

The sublimely crafted classic wayfarer features clever hidden hinges, offering the option to fold and tuck them away for greater portability – the perfect interpretation of confidence that complement any well-dressed contemporary man.

Contemporary Classic

Recalling the sophisticated yet daring designs of the '70s, these modern double bridge sunglasses update a classic look with smart modern appeal. In a clever nod to Pal Zileri's status as a global leader in men's fashion, their flexible temples decorated with a Pal Zileri logo and a tie-shaped metal accent, as well as exquisite leather at the top bar and on the side for an expensive touch in this series.

Vintage Appeal

The assertive style of the '50s and '60s introduced the world to charismatic mod culture, personable yet professional mod suits, and bold accessory pieces. The period receives a nostalgic nod from this first selection of sunglasses, which feature vintage eyeshapes. Slim metal frames showcase an eyeshape favoured by aviators, with a delicate acetate top bar for stylish emphasis. Whilst the wayfarer style brings a vintage touch not only in its eyeshape but also the exquisite colour highlights in gold and tortoiseshell on the temples.
