

PAL ZILERI

OPTICAL COLLECTION SUMMER 2011

Seamlessly streamlined profile with suave masculine design evoking the balmy perfection of Italian heritage & contemporary spirit – Creating eyewear of timeless elegance with metropolitan modernity.

A legacy of superiority

A reputation for stylistic perfection.

Encapsulating the unique and vital beauty of sun-touched Capri Island, Pal Zileri Summer 2014 Optical collection demonstrates the brand's long tradition of fusing classic elegance with contemporary spirit.

Creating polished eyewear crafted with superb skills in luxurious pure titanium and Italian acetate, combining superior comfort with undeniable sophisticated style.

Crafted with unrivalled lightweight and flexible beta-titanium, polished with uniquely-designed hinges, Pal Zileri eyewear are at the forefront of functionality and impeccable prestige.

Charismatic and masculine silhouette with nuanced temple décor; incredible comfort by flexible spring-hinges, superbly lightweight titanium and classic Italian acetate, creating eyewear of perfectly rarefied sophistication.
