

# HOW TO GET INVOLVED IN ORRE and YOUR Community

**Advocate**

Visit the ORRE office to learn exactly what we are about. We are anxious to explain our mission. Then get out in to our community to Advocate for ORRE. Lend your voice to influence your friends, neighbors and local lawmakers to **MAKE A DIFFERENCE** within their own community through support in our community

ORRE has a variety of volunteer opportunities. If you have clerical skills you can offer a few hours a week to help out in the office. If you don't have any specific skills you can certainly be there to answer the phone and answer questions from visitors. You can serve on our committees. Volunteer to help at festivals and events. There is always something that can be done...so **VOLUNTEER** to help make changes in your community.

**Volunteer**

**Donate**

Ever Dollar donated to ORRE will help to effect change without our historic core. Re-designed centers that encourage community activities.

Events and Festivals where families can spend time together while enjoying the feeling of community spirit.
