

What better way to enjoy camp memories than with a **Stuffed Mementos** pillow!

We change your ordinary camp t-shirt into lasting memories! Instead of signing yearbooks, have friends, counselors or anyone sign your t-shirt. Then we create a **Stuffed Mementos** pillow. Keep it on your bed or take it anywhere you want. You will have a memory of a fun and exciting summer!

How it works

1. Choose a camp t-shirt
2. Get signatures and drawings while you're wearing it or passing it around
3. You can even include a memento to put inside your t-shirt
4. Your **Stuffed Mementos** pillow comes with a pocket for your favorite photo. Choose the orientation of your photo pocket and we'll do the rest
5. Mail to us
We do our magic and ship the t-shirt back to you as a **Stuffed Mementos** pillow you'll enjoy for years to come!

(see requirements)
