**Nau Fluent Stash Organizational Bag**  
Made from 100 percent recycled, die-cut wool felt, Nau's origami-style bag packs down small yet opens wide to reveal a multitude of snapping, zipping, and folding pouches. Hang it over the towel bar or fold it back and prop it up on itself; it's as accommodating as a geisha, with way more pockets. | **\$80**

The image shows a black, origami-style organizational bag made of wool felt. It is shown in its compact, folded state at the top, with the number "48" printed in large, colorful, 3D-style font. Below the bag, there is a block of text describing the product's features and price. The bag is shown in its expanded state in the adjacent image, revealing various pockets and compartments.
