

2014 KINGZ KIMONO COMP 450 V3

COMP 450

The Kingz 450 COMP V3 gi is a 450 gram weight jacket top made of traditional pearl style weave material. This is a great competition and daily training gi. Ultra lightweight, Preshrunk for an ideal fit, Triple reinforced stitching across all stress points, Quick dry and fully breathable.

GI JACKET FEATURES:

- Gis undergo a preshrinking process, reducing by 90% the shrinkage of the gi
- Logo trim on jacket bottom and cuffs
- High stitch count embroidered logos on shoulders
- Made of one piece fabric for superior strength and durability
- Synthetic heat resistant lapel insert, a single piece of vulcanized rubber inside the collar that keeps the gi light, dry faster and keep your lapel fungus and bacteria free.

PANTS FEATURES:

- 10oz drill cotton material, light yet extremely durable & comfortable.
- Double reinforced knee padding, triple stitched with over lapped seam.
- 6 Drawstring loops.
- Rope drawstring as opposed to the traditional twill, which allows for tighter fastening of the pants, and more comfort when training.
