

ReTargeter is a full-service display advertising platform specializing in audience targeting and retargeting for agencies and brands.

Audience

Our advanced media buying platform can build and target audiences via the web, social media, mobile, email, and even your CRM.

Targeting

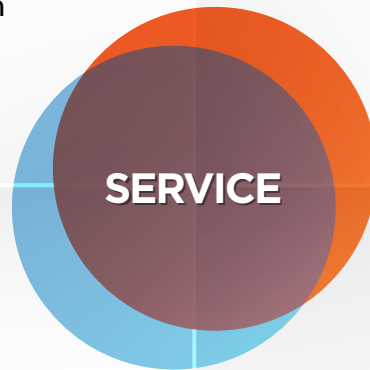

Reach the right audiences at the right time by leveraging a broad array of demographic, contextual, behavioral, interest, and intent-based targeting segments.

Creative

We design static, Flash, and rich media creatives that get noticed, drive engagement, and deliver results .

Inventory

Access over 400 billion impressions of display, mobile and video inventory per month from the leading ad networks and exchanges.

Custom Reporting & Dashboards

We tailor our reporting to your needs so you can focus on what's important.

Comprehensive Advertising Solutions

Our cutting-edge technology stack offers display advertising solutions to meet any client need, from premium branding to large-scale direct response.

Dedicated Account Management

From planning to flight, you will have a single point of contact who will coordinate all aspects of your campaign with our experienced agency account management team.
