suggested design patterns

detail: wall art

clean finish look, fusion of brick and wood. well displayed photo frames.

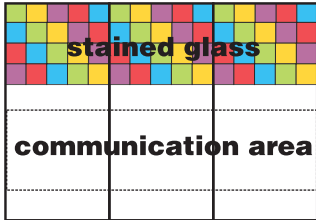

detail: wall art

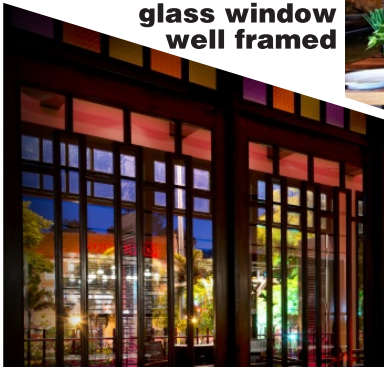

detail: outside window

....

**glass window
well framed**

designed to give a mediterranean & Iranian look; these tainted glass effect provides a very vintage and classic look. look and feel of the wall and furniture also gives a touch of vintage Mumbai.

detail: sitting

....

A combination of vintage wood finish with a hint of faded/scraped out paint layer. Also used marble finish for the existing tables. Sitting chair will have soft topping for comfort.

lighting ambience ...

Ambience play an important role in interior. Lighting concepts are used in a very naked feel to give that antique look.
