

## Panasonic stages a counter revolution!

Set the stage for your customers with revolutionary Small Kitchen Appliances from Panasonic.

Appliances like our award-winning rice cooker/steamer that cooks rice and steams vegetables simultaneously! The FlashXpress™ toaster oven uses light to cook quickly for an amazing new cooking experience. And our newest Bread Bakery™ bread maker with its unique automatic yeast dispenser eliminates the guesswork.

For fast-growing sales, have Panasonic appliances on your shelves. Visit booth number 4540 at the 2001 Gourmet Show. To learn more about our innovative FlashXpress™ toaster oven and to view our exquisite lineup of Small Kitchen Appliances,
