

Dr. Martin Luther King, Jr. Writing Contest

HIS WORDS INSPIRED *YOURS.*

Congratulations!

Congratulations to the winners of this year's Dr. Martin Luther King, Jr. Writing Contest! Although his words were spoken to a different generation over 50 years ago, they are just as powerful today. You've made his words your own and inspired a whole new generation to be moved by Dr. King's dream of peace, equality, and dignity for everyone. The Milwaukee Journal Sentinel and the Milwaukee Teachers' Education Association have proudly sponsored the Dr. Martin Luther King, Jr. Writing Contest and we're pleased to honor such gifted writers again this year.
