

*It's only been  
30 minutes.*

*I just spent 3 hours  
on that reed and  
it broke...*

*My reeds  
are terrible.*

*Too much tension.  
I'm supposed to be relaxed.  
How in the world do I relax  
when I'm thinking  
about relaxing  
and not being tense?!*

*All my friends are at the beach.*
