

Chi Khooneh

Renovation project for a five story commercial building.

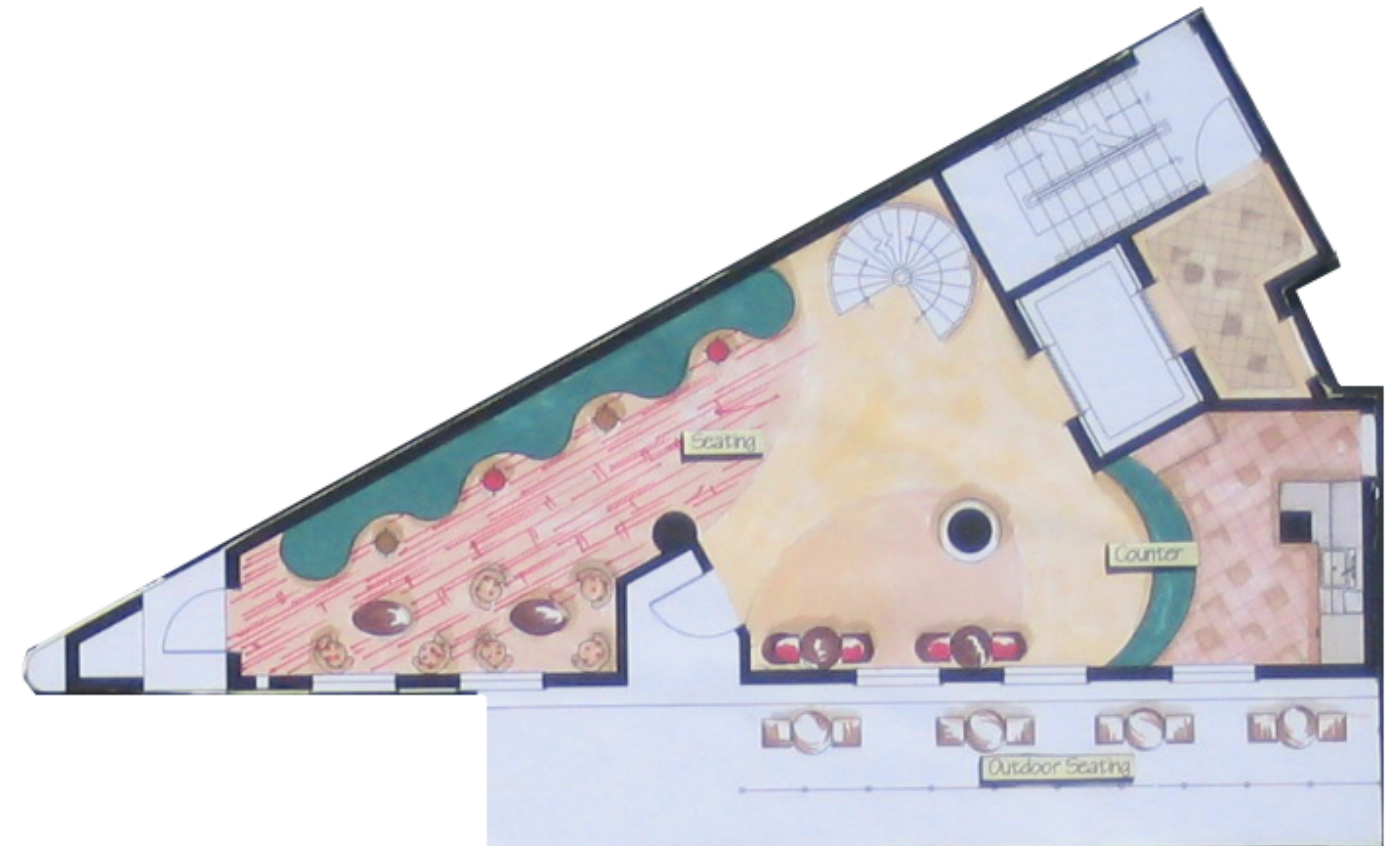

Objective- Using the footprint provided design a coffee shop/bakery on first two floors and design a penthouse with a loft space on the fifth floor.

Design- First floor encompasses a tea house called Chi Khooneh. Chi Khooneh means 'tea house' in Farsi.

- Using Persian culture as inspiration; mosaic tiles and bright red, orange and teal appear throughout the space.
- Second floor is an extension of the first but is a music lounge and bookstore.
