

Ages 6 & 7 Year Olds

At Kiwi, starting at age 6, the boys and girls are placed in separate groups. Campers are grouped by what grade they are entering in the fall. There is a maximum of 24 campers and 4 staff members (one Head Staffer and three group leader assistants). The Head Staffer is a parent or teacher or a combination of the two. Two of the group leaders are college students and the third assistant may be entering their senior year of high school or be a college student. In each activity there are one to two additional activity staff. **Additional leaders are added for all aquatic and sports activities.** The camper-to-staff ratio is 4:1. Campers travel to a new and exciting activity every 40 minutes. Each day is comprised of 8 scheduled activities. Each week is a new schedule and a different theme with fun-filled events. Entertainment days are usually every Friday.

The activities that ages 6-7 participate in include: two swims daily, in four heated state-of-the-art pools (American Red Cross instructional and recreational swim), splash (waterslides), **boating, beach, all sports, tennis, mini-golf, nature, pet farm, recreational games, wilderness adventure (with zip lines), climbing wall, arcade, music, dance, drama, arts & crafts**, and much, much more! All the activity staff at Kiwi are very experienced, fun, well-organized and well-planned.

All Kiwi campers are on Kiwi's lunch program. Please refer to our website at www.campkiwi.com, for a sample menu. One day each week we serve our popular BBQ with a great DJ, for a fun-filled dance party!

Kiwi has a "meet and greet" before camp begins. The campers and parents have the opportunity to meet the Kiwi staff. The Kiwi shirts are given out at the "meet and greet". At Kiwi, campers wear their Kiwi shirt every Monday.

We like to keep the Kiwi website very informative. **A weekly photo gallery is posted, so families can check out all the Kiwi fun,** throughout the summer. In addition, we post a weekly newsletter at the site.

Do make arrangements to visit Kiwi for a tour. We will be **more than happy to show you** and your family **the spectacular campus** and all Kiwi has to offer!
