

A Trip Through Krispin Drain

On June 9, 2016, a group of 12 Association Directors and friends joined together to "officially" open the "new" Krispin Drain. It was a beautiful day and some wonderful pictures were taken. As can be seen in these photos, this new waterway will be a great addition to our very special Island. The kayakers included: Pat and Susan Feighan, Bill and Donna Halacoglu, Scott Short, Dianne Owen, Harold Stieber, Kathy Galvin, Stephanie Spencer and Denne Osgood. On shore cheering on the boaters were George and Barb Crown. Photos by George Crown, Barbara Crown and Donna Halacoglu.
