Clientele Understanding – 1

Home , yourself, family

Q1 : Some lines about yourself ,work & family .

Q2: What do you like to get out of the building both exterior & interior (something like image perceived – a term you would give for the house) .

Q3: What does life mean to you ? How you perceive life with home.

Q4: State some special activities wanting to be done but not available presently ?

Q5: Where does each person spend their essential time ? How much time is spent at home during holidays

Q6: What are the activities at each room?

Q6 B: What is most essential for your home.

For ex.it can be air , peace.

silence ,ambitious, adventurous or combination of many things which you feel vital .

Pls. explain them with couple of lines to support your point.

Q7: Does this home takes a character of yourself or the family or both or else anybody.

Q8: Explain the rooms/spaces required and also mention the person uses. Also state the area for rooms, flooring, buildings, gardens .(if incase you have framed)- it can be even in ratios .

Fads , choices , styles

Q9: Which style do you prefer : (pls find attached folder)

Modern -(816,846)

Post-modern-(informal) – 818(image on right),864

Minimalism – 847,863

space age (830 –image on left alone) (842 – image on rightside)

classical(838),
ethnical(822 – image on left)
combination of many things or anything in your mind. (Numbers denote some examples
of the style – pls refer the picture folder)

Q10: Name few favourite colours for yourself & family.

Q11: Name your favourite material & texture ,rank them.

Q12: Broadly Do you like floral , linear patterned , plain ,colourful or combined types.

This can be on a mobile cover, carpets , wall hangings , floor tile design
etc., Rank them if you have choices.

Q13: Do you prefer to crowd many things/items in a space to create richness ,colour etc,
OR you prefer emptiness to create spacious , minimalistic approach. If this
varies from room to room , name them following in each cadre.

Q14: How much do you feel landscape / outdoor is part of home .

Q15: Describe shortly , if any

special detail , design , looks , choices that are there to be fulfilled –
something that had taken your special attention especially to be part of your
home & life

Q16 : Pls .find attached Residence J – Images . Evaluate this design & mention in few
lines with a title about this house . What does it bring out from your aspect of looking ?
The positives & negatives , improvisation any or imagine living in this house and going
about with it ?

.....**Thanks you have finished !**
