summer session I

international accounting
PARIS

TEXAS MPA students will earn 6 graduate accounting credits at ESCP Europe- one of the oldest and leading business schools in Europe- and home to a top accounting program. Courses are supplemented with company visits to some of the largest accounting firms in the world. Students will become immersed in the robust Parisian lifestyle and discover why Paris is continually rated one of the best European cities for business and leisure.

international accounting

PARIS

Who is eligible?

- tMPA and iMPA students with minimum UT GPA of 3.0 and Accounting GPA of 3.0
