“ENTRUST TO FAITHFUL PERSON WHO WILL BE ABLE TO TEACH OTHERS”

NATIONAL
CMTc
COMMITTEE MEMBERS TRAINING CAMP

EQUIPPED TO ENTRUST

The 4 x 100 meter relay race is the most exciting event in athletics. Individual brilliance fades into the background and teamwork generates such synergy that a world-class team runs the lap at a blistering speed of 38 seconds. The key to success in a relay race is teamwork. The athletes spend long hours perfecting the exchange of the baton. Sans the baton, the team is disqualified. The runner must pass the baton to the next one till it reaches the finish line.

Apostle Paul uses an image similar to the relay race when he says, “Entrust to faithful person who will be able to teach others.” With the theme “EQUIPPED TO ENTRUST”, the CMTC endeavors to train student leaders who will be faithful to fulfill their part in the relay race of faith.

The camp is designed to develop and equip EU students for high standards of spiritual and moral integrity. It will impart a clear vision and wholehearted commitment to Christ and to the cause of discipling students through personal witness and effective participation in the local EU Committee.

DURING A CMTC

The venue rings with laughter, jokes and high spirits

The graduates and staff – sensitive to the needs of teenagers – gently help the youngsters open out. Letting the word of God sink in.

Sometimes there is disorder. Clash of egos – but as the camp progresses, the Holy Spirit works and heals; rough edges become smooth, personalities get transformed.

Towards the end, over the camp fire, decisions are made, commitments pledged and prayed over. A CMTC is a place for maturing

In some of these camps, life-long friendship are established, many years later, they cherish the uniqueness and the memories of the CMTC experience.

CMTC are held by UESI every year for five regions:

- NORTH
- SOUTH
- EAST
- WEST & CENTRAL
