

Recycling Truck Sorting Game

Game for children from 2 to 5 years old.
Four recycle bins properly colored with set of recycled items.
When you successfully put rubbish into the box you will be congratulated
by a voice: "Thank you!" and then music plays.
Open the lid, take the items out, and start all over again!

I ♥ NATURE !

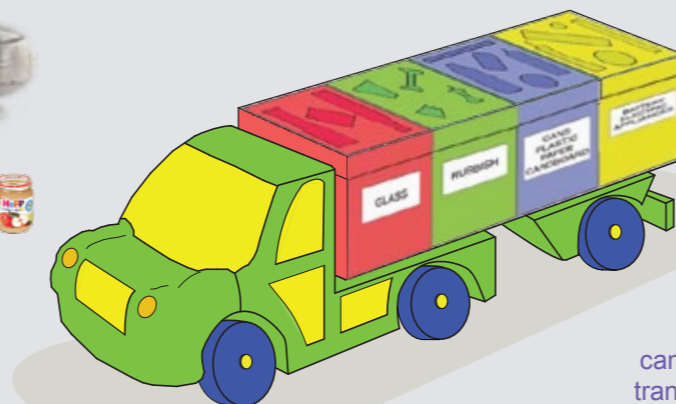

Ketchup
Baby food
Olive oil

Cake set
Bone
Apple core

Juice
Coke
Water bottle
Newspaper
Milk

Batteries
Calculator
Phone

Pieces are designed to look
like recognisable supermarket products
and help children understand
the recycling process.

Kids
can also
transport
rubbish with
the recycling truck

- Interactive learning game
