

TRUE HONOR

F W | 1 4

The image features a close-up, high-contrast view of an American flag that has been severely weathered and rusted. The red and white stripes are heavily corroded, appearing as dark, textured bands. The blue field with stars is also heavily degraded, with the stars appearing as small, dark, irregular shapes. The overall appearance is one of extreme age and decay. Centered over the flag is the text 'WWW.TRUEHONOR.COM' in a white, serif font.
