

ALTA-RECYCLER™

The Alta-Recycler is a hanging unit that will handle small to large quantities of peanuts. (Sizes available: 15, 30, 45, 60 and 75 cu. ft.)

- Stores peanuts in the dispenser for easy re-use.
- Optimizes work space by storing peanuts overhead.
- Vacuum feature allows for easy removal of peanuts from incoming boxes AND loading the dispenser with fresh peanuts (without ever needing to lower the bag).

30 cu. ft. Alta-Recycler pictured

PORTABLE RECEIVING STATION

A Portable Receiving station sturdy enough to hold heavy packages, yet lightweight enough to easily move from place-to-place.

- Triple-wall corrugated with sturdy powder-coated grate top, keeps product on top while allowing peanuts to fall through into a large bag.
- Disassembles and stores flat.

P-NUT PAL™

Cordless/rechargeable hand-held unit with 110V plug-in charger included.

- Optional docking-ring fits a 32 to 44 gal can. It will create a permanent home for your unit and protect it from falls (can and dolly not included)
- Capacity: 1/3 cu. ft. Will move up to 60 cu. ft. before needing to be recharged.

ALL UNITS FEATURE:

WHISPER-QUIET OPERATION
REALLY! They are quiet enough to be operated in the same room with people on the phone or on the sales floor where customers are shopping, without creating a disturbance.

GENTLE SUCTION
Just enough suction to evacuate ONLY the peanuts, leaving items as small as a paper clip or screw in the box for easy retrieval.

1 YEAR LIMITED WARRANTY
Extended warranty plans are available.

P-NUT PAL 120™

Portable A/C powered unit for unpacking and easily bagging peanuts for storage or transport.

- Comes with 55 gal. Trash can and dolly.
- Capacity: 7 cu. Ft.

LOOSE-FILL SHIPPING STATION

Free-standing shipping/receiving station used in partnership with ANY size Alta-Recycler to unpack, store and dispense peanuts.

- Special flat-top grate allows the peanuts to fall through into the hopper, where they are vacuumed up into the overhead Alta-Recycler

- Alta-Recycler sold separately. (Sizes available: 15, 30, 45, 60 and 75 cu. ft.)

Shipping station shown with a 30 cu. ft. Alta-Recycler.
