{MOST AWESOME}

THINGS WE DID
IN 2011

1 bought our very own first car

2 attended 11 different lds temples in 3 months

3 learned to play and love tennis

4 hosted 7 different friends in our home for a week/more

5 had no snow until december!

MARRIED
8 MONTHS

EVERYTHING ELSE

We are excited to start the new year! Long will be applying for colleges to teach for the fall of 2012. In the mean time, we will be saving up to visit vietnam and meet the extended nguyen family. Since we have been married, we have learned how to budget, plan/cook meals, attend one's needs when the other is sick, laugh at each other's corny jokes, and love each other more than ever before!
