

# A revolutionary device For unlimited reliability

Aquaris' unique waterproof technology wasn't created overnight. Years of careful research and development went into Aquaris to make sure that water, dust, and dirt don't. Sealed tight.

## Give the ones you love the gift of hearing.

For the month of February come in for a free hearing screening and consult and your name will be entered into a raffle for a Free set of TV Ears. **A \$143.00 value!**
