

When I was homeless you opened your door.... (Matthew 25:35)

Over the past 3 months, **Cleary Cleaners** helped us open our doors to provide shelter to our brothers and sisters in Concord experiencing homelessness this winter season by providing laundry service for our daily linens – as many as 23 bed sets a night. And they have already partnered with us for the 2012-2013 season.

For this we at the *South Congregational Church* would like to share our

Love,
Blessings,
Gratitude,
Appreciation,
Admiration,
Respect,
Praise

In short... **THANK YOU!!!**

Concord, please make **Cleary Cleaners** your Cleaners of Choice!
