*Your Success in College Depends on Good Health*

Following the very successful Take Back the Night event, Student Health Services is starting a new group for students dealing with sexual violence:

**Tuesdays, 4:00 PM - 5:00 PM**

*Facilitated by Brighton Early and Anabel Plasencia*

This group, meeting weekly, is open to students who would like a safe place to discuss their experiences and feelings about sexual violence in their lives and in our society.

**Call 524-1595 to sign up.**

The group will start when enough people sign up, at which time participants will be notified, with location.

The group is supervised by Bert Epstein, Psy.D.

The Sonoma County Junior College District does not discriminate on the basis of race, religious creed, color, national origin, ancestry, ethnic group identification, physical disability, mental disability, medical condition, genetic condition, marital status, sex, gender, gender identity, gender expression, genetic information or sexual orientation in any of its policies, procedures or practices; nor does the District discriminate against any employees or applicants for employment on the basis of their age. This non-discrimination policy covers admission, access and treatment in District programs and activities -- including but not limited to academic admissions, financial aid, educational services and athletics -- and application for District employment.
