CLEAR

REFURBISHED DEVICE

This refurbished device has gone through a stringent refurbishment process by a factory-authorized provider, with the intent of meeting the same functional requirements as a new device. This refurbished device is governed by the same return policy as a new device purchased from CLEAR and includes a 90-Day Limited Manufacturer's Warranty.

Change your device's location (CLEAR network performance may vary) and hold the device. The CLEAR Stick Atlas device is made in China and complies with FCC safety standards and is not for sale in the United States. See our support for more information on our return policy and all restrictions and limitations. CLEAR and the CLEAR logo are registered trademarks of Clearwire Communications LLC. ©2013 Clear Wireless LLC. All Rights Reserved.
