

# the look of LIMÓN

Fall beauty takes a wild twist  
with extreme looks and  
tangy colors fresh-squeezed from the runway.  
This is the season to quench your thirst for the unexpected.

In the spirit of **BACARDI LIMÓN**,  
renowned fashion model Chandra North drinks in the  
outrageous lemon-lime fantasy.

### in the limelight

Style gets graphic with a burst of refreshing color. Hair goes geometric with an ironed-out bob (cover), or lets loose with ethereal wisps. Smudges of luminous shadow ignite the eyes, while bold citrus shades electrify the lips. It's the perfect look for sipping **BACARDI LIMÓN**. Enjoy it straight, on the rocks, or mixed with juice or tonic.

### squeeze this

Get a grip on the latest look for nails. Laquered in edgy tones, they lend a juicy twist to the evening and shine into the wee hours. Wrap your fingers around a **BACARDI LIMÓN** Cosmopolitan: Shake it up with ice, triple sec, lime juice, and a splash of cranberry. Strain into a chilled martini glass and indulge.
