

# Alien Gal

Nova Nickjr is one of the many Phanlara warriors able to travel faster than the speed of sound. Trained to serve the Phanlara King, Fankjree, she desired to become the fastest living being in the universe.

Driving deep into the Milky Way, she found a special gem that she uses to power her bio tech armor. Now she is able to lift a giant with no effort. Rightly bearing the title, Supergirl, she enjoys playing

Monster dugby more than anything else because she knows her speed and strength can be a massive added advantage in the game. Nova Nickjr breaks her enemies' with torturing, limp braking tractor beam, sometimes so powerful it can convert into powerful waves that ripple across space planets away, shattering everything in its path.
