## Trivia Rules and Regulations

### Trivia Rules:

All questions have been verified and confirmed by several different entities. If there is any question on the authenticity of an answer, please bring it to our attention, though we will not likely do much about it unless it is the game determining point. There are multiple bonus questions throughout the night in several categories so there can be a more than 100% correct winner. The table with the highest score at the end of the night will receive a first place prize. Mulligans will be provided at 10 for \$20.

### Mulligan Rules:

A "Mulligan" is a term that came from golf, meaning "do over." In our game tonight, it is considered a freebie. Only one mulligan can be used per round and a mulligan does not count on bonus questions. If your table has fewer than ten people, you can purchase an extra mulligan for the number of people you are short for \$2 per mulligan. For example, if you have 6 people at your table, you can purchase 4 more mulligans to be used during the night. These mulligans will be of a different format, so be certain you are not using 2 of the same mulligans on a particular answer sheet. Again, these extra mulligans cannot be utilized on bonus questions.

### Drink Runners:

If you are one of those people who likes to settle in for the night and not have to get up and down to "run" to the bar throughout the night, we are providing drink runners. Those who will go get your order for you. The cost is \$1 per drink ordered and can be added to your tally at the end of the night should you find yourself with a shortage of \$1.00 bills! All the proceeds will go to help an animal in need of emergency veterinary care.

### Cell Phone Use and Google Searches:

We are asking on the honor system to not utilize your technological capabilities while participating in the question rounds. If it is suspected that you may be "referencing" information on the World Wide Web, you will be brought before the group and made to be a guest drink runner for the remainder of the evening!
