

“Collaboration between individuals is commonly viewed as the critical link to innovation, and encouraging collaboration fosters innovation”. -- Knoll Magnet Space

Alcove Sofa  
Designed by: Vitra

The Alcove Sofa creates a peaceful informal space with its high back that serves as a visual and acoustic screen. Lounge like atmosphere where meeting can be held.

Neocon Chicago Showroom  
Turnstone

Combine furniture to create an informal meeting space within the office.

PARCS  
Designers: PearsonLloyd

The collection of PARCS office furniture creates a range of meeting environments for the open plan office. These different types of places and spaces help conduct informal meetings and discussions with workers.
