

# Kauai Beach Marriott - MVCI Renovation

Lihue, Kauai, HI

WATG

## client

Marriott Vacation Club International

## size

100 timeshare units

## amenities

Bar & grill; three pools; marketplace; sales center; kid's club; fitness room

## services provided

Interior design

## associate architect

Group 70

## challenge

The challenge for WATG was to design a LEED certified tower on the existing resort while maintaining the Hawaiian ambience present throughout the property.

## solution

After discussions with the client, the WATG interior design team was able to work with the associate architectural designers to incorporate the sustainable features that were most important to the client.
